To all CNMI Cannabis Licensees

Subject: Weights and Measures License

Dear CNMI Cannabis Licensees:

This letter serves to inform all licensed marijuana business establishments on its responsibility to adhere and remain compliant with CNMI laws and the CNMI Cannabis Commission Rules, Regulations and Policies. In this regard, 4 CMC §5422 and §5429 of the Commonwealth Code cites the administration, enforcement, and standards of weights and measures. Any individual or entity conducting business in the CNMI by means of weights and measures apparatuses for commercial use requires a Weights and Measures License from the Department of Commerce, Division of Enforcement and Compliance.

Additional information and application for a Weights and Measures license can be found using the following link from the CNMI Department of Commerce, <https://commerce.gov.mp/divisions/enforcement>.

If you have not already done so, please proceed with obtaining your Weights and Measures License, and immediately upon your receipt, provide a copy to the Commission. Failure to comply with the requirements set forth in the statute may be cause for an enforceable action by the Commission.

If you have any questions or require further explanation on the above-mentioned license, please contact the Enforcement and Compliance Division, Office of Weights and Measures Section, at (670) 488-1005, or by email at cnmi.enforcement@commerce.gov.mp.

Your understanding and cooperation is greatly appreciated.

Best Regards,
Division of Enforcement & Investigations
