To All Licensees,

In light of the recent legislation, H.B. No. 23-66, and the associated reduction of hours, this memo is to inform you that effective Friday, October 6, 2023, the CNMI Cannabis Commission will be closing at 3:00 p.m. and every other Friday thereafter. Additionally, the Commission will continue to observe austerity Mondays. This schedule will be strictly adhered to in order to comply with the new legal requirements.

In the event of a holiday falling on a payroll Friday or the following Monday, the reduced hours will be observed on the Thursday prior or the following Tuesday. We ask that all our licensees take note of this revised schedule and plan their interactions with the Commission accordingly.

Respectfully,

The CNMI Cannabis Commission
